

Top Revenue Generating Countries

User Conversion Rate (Paying vs Non-Paying)

BUSINESS QUESTIONS + SOLUTION

Q1: Top Revenue Generating Countries kaun se hain?

- Business Use:
- Company decide karegi kis country me marketing badhani hai
- Kaise kare (Power BI):

Visual: Bar Chart

- Axis → Country
- Values → Sum of Purchase_Amount

DAX:

Total Revenue =
SUM('gaming_dataset'[Purc

Conversion Rate %

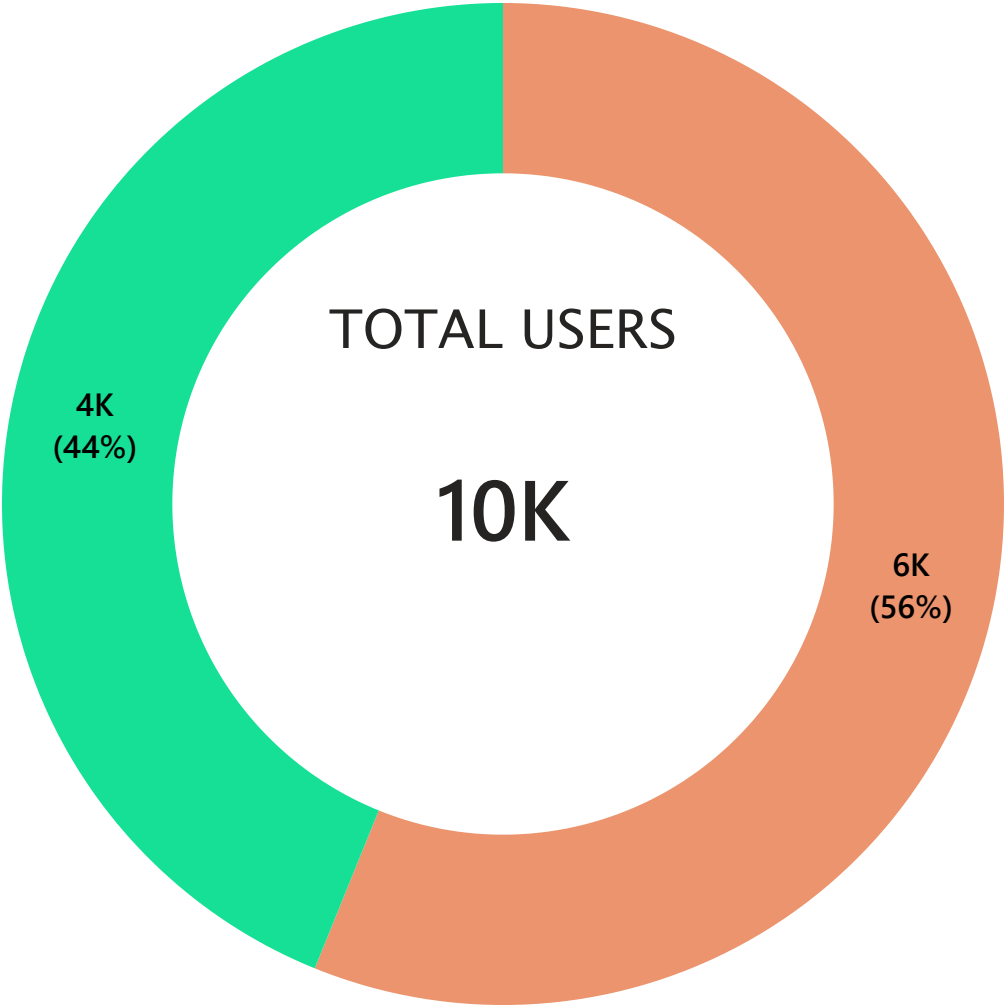

Conversion Rate % =
DIVIDE(
 [Paying Users],
 COUNTROWS(gaming_dataset),
 0
)

- Then:
- Modeling → Format → Percentage
3. Avg Revenue Per User (ARPU)

Avg Revenue Per User =
DIVIDE(
 SUM(gaming_dataset[Total Revenue]),
 COUNTROWS(gaming_dataset),
 0
)
